

EHE Career Opportunities – Chicago, IL

EHE International is America's leader in preventive health and wellness programs specifically designed for the early detection of disease and its associated risks, and the management of lifestyle behaviors driving disease. Since 1913, EHE has been the preferred choice by employers and individuals for its evidence based, comprehensive approach to the protection of health. If you're looking for a challenging and rewarding career with the leader in preventive healthcare, then we encourage you to submit your resume.

EHE International is seeking qualified individuals for a number of Clinical and Administrative positions. You are invited to submit your resume with stated salary requirements to Robert DeProspero, HR Manager, at hr@eheintl.com or via fax at 212.332.1170. Qualified candidates will be contacted for an interview. *Resumes without stated salary requirements will not be considered ("open" is not acceptable).*
